It's that time of year! The sun is shining, it's a long weekend and we're firing up the grill out here in the creek. Good food, good music and great company.

We're throwing the blankets on the green grass (with umbrellas, of course) and setting up the blenders for some icy cocktails in the sun!

Hope you can join us! It's been too long since we've had all of you out to enjoy the day.

We will provide Chicken and sausages for the BBQ and some beer and Vodka. So please bring whatever else you would like to eat or drink.

If anyone wants suggestions what to bring call Derek at 415-424-2728

hope you all can make it!

Derek and Yannick
