It's that time of year. The sun is shining, it's a long weekend and we're firing up the grill out here in the creek. Good food, great music and great company.

We're broiling the steaks on the green grass (with umbrellas, of course) and setting up the tables for some try catch along the bank.

Hope you can join us! It's been too long since we've had all of you out to enjoy the day.

We will provide Chicken and sausage for the BBQ and some beer and vodka. So please bring whatever else you would like to eat and drink.

If anyone wants suggestions on what to bring call Derek at 415-424-2128

Hope you all can make it!

Derek and Yareck.
